1st April 2017

Fencibles United AFC Fees Policy

Following ratification by the Fencibles United AFC Board, it has been agreed for this season, and all seasons moving forward:

- that if any member's fees are not paid by Queens Birthday Monday (irrespective of the actual date it falls on), then that member will be stood down from playing for the club and will cease to have any of the rights that membership bestows on that member (ie: voting at club agm).
- Membership will be reinstated once fees are paid in full
- The Fencibles United AFC board, also reserves to right to send any unpaid fees to a 3rd party recovery service.

Members who have an agreed and authorised fee payment plan, and their plans final payment is after the above cut off, are not covered by this policy on cessation of membership and rights.

Signed,

Fencibles United AFC Board
