# Club Captains Message – Overview of the Season

Hi,

It was a frustrating season with the start stop nature due to the Covid19 lockdowns. What was exciting to see the endeavour, development, commitment and importantly smiles on all the players faces as they gave their all during the season.

I thought it important to still do a prizegiving and to celebrate every players contribution. While a number of players will receive awards it requires a full team to play a game and we want to celebrate every members efforts and contribution to the season. We are proud of all of you.

I want to thank the parents for supporting their children by bring them to training as well as cheering them on the sidelines at games.

Our club runs on volunteers and in the Junior & Youth (Inhouse and NRF Travelling team) spaces we have over 100 teams participating. Our volunteer coaches give up a large amount of time and we thank them for all their help and commitment during the year. To organise the grades we have volunteer convenors who also put in long hours so thank you to our In-house team of Katie Hamilton, Shaun Rice & Kelly Anderson Rowe, and our Travelling NRF team of Kelly Anderson Rowe, Naomi Mitchell, Simon Bott, Derek Ready & Jeannine Melville for all your help. You are all true champions. In club supporting roles we have Darryl Hamilton who is Junior Club Captain & Football Development Manager whose workload never stops and volunteers huge hours every week while juggling a full time job. In our girls space the work behind the scenes from Mel Lockyer and Karen Berry has been amazing and allows us to further develop and grow in this area.

In the near future there will be exciting news in the girls space and also on the club coaching front so keep watching out for the clubs communications.

A thank you needs to go to our club, grade and team sponsors. Your generosity is sincerely appreciated. Please support these sponsors if you can. They all can be seen under the 'Our Partners' tab on the main taskbar on our website.

# Club Captains Message – Club achievements for 2021

## Club achievements for 2021

- In 2020 we developed a four year plan aimed to give all our junior and youth players a better experience at the club. Incredibly we saw over two thirds of that plan implemented in the first year (2021). A huge amount of work has gone into it by many people.
- **What have we achieved this year;**
  - **On the field**
    - Split options for the 5 and 6 year olds ie. Just play Saturday or training session mid week & Saturday game
    - Creation of open training sessions for those outside of our Development Plus Programmes 5-12 year olds
    - Implementation of our Development Plus Programme for 9-17 year olds
    - Appointment of new Director of Football – Marty Rodwell
    - Appointment of new Technical Director – Darren Bazeley (Current All Whites Assistant Coach & NZ U20's Head Coach)
    - Exciting news also coming next week. Keep watching out for the clubs communications via newsletter, email, website and Facebook.

# Cont. Club Captains Message - Club achievements for 2021

- **Creating better communication with members**

- Development of the new Fencibles website
- Development of the new Fencibles App (now available on Apple & Android)
- Implementation of Friendly Manager our clubs new Club Management Software – Your individual profile will have all the information at your fingertips – dates, times and locations for fixtures, coaches and managers contact details, events and uniforms to name a few.

Jeannine Melville spent many hours putting this prizegiving presentations together and she has done an amazing job.

Lastly a thank you for your participation in the 2021 season. Remember we still have programmes running if you still want to keep training. Have an enjoyable summer break and look forward to catching up with you all in 2022.

Kindest regards,

**Mike Hawkey**

The Real Betis team were a great bunch of kids showing enthusiasm and desire to learn and play soccer. There was lots of fun and laughter had through the season, especially when it involved chasing each other around. There were some great skills learnt through the season, with all of the boys improving week on week...even learning to do headers! Not only did they improve their own skills they also worked really well as a team which was great to see and got some good results in the games.

Hopefully we will see a lot of them continuing their journey next year

Merry Christmas from Paul and Richard

A few new faces welcomed to the team and lots of new skills learnt over the season. Really proud of the girl's resilience and efforts.

Unfortunate end as the girls were just starting to get a really good bond with skills and confidence starting to come through in our mini games.

Hopefully we'll be back on the pitch again before we know it.

Big thank you to Parents Claire & Tennille for both jumping in and helping out with the coaching.

Team Valencia consisted of various degrees of team participation backgrounds, and for many, this was their first time participating in a team sport. Teamwork is generally understood as the willingness to work together to achieve a common goal, and team Valencia was no exception to this. Every week the team delighted me with their enthusiasm, and willingness to learn and compete with other teams. As we progressed into the season the positive attitude and confidence grew. We won some and we lost some, but our team learned how to get back up and play again. Good effort Team Valencia!

This was my first season coaching and it was loads of fun with all of these great kids. I am 14 years old so that makes me a little shorter than the other coaches, at times I looked like a player rather than a coach. But what I lack in height I made up for in enthusiasm, I wanted to give the kids the best experience they could have. Thank you to Eli, Ayrton, Asher, Taylor, Quinnly, Viaan, Agam, Monty, Ethan, Issac, and Oliver who came to almost every game and always brought a smile and a good attitude. It was great to watch you play and develop as players. I think we all had a great season together and I hope you continue to play football. I miss all of you so much and I hope I get to see you again in the future, also HUGE thanks to all the parent helpers, I couldn't have done it without you, it made my job so much easier and I appreciate all the support. :)

Player of the year: Jireh Yong – for always putting in a big effort on the field including when playing for the opposition

Coaches Award: Panav Negi – for always showing up early, trying hard and helping set up

Most improved – Zarith Ali – for putting in a good effort in training and improving in the games each week

All the team put in big efforts throughout the season with lots of goals scored. We tried to work on passing and working as a team which was particularly helpful when the kids played the parents in our bye week. Other notable team members was my son Fletcher for helping set up each week and carry the heavy goal. Israel for being all over the field and scoring lots of goals. Rhyder for always looking for space to receive a pass and Jasraj for his determination on the field. Also, big thanks to the parents helping out with training the team, its a shame the season was cut short

# Fencibles United Association Football Club - 2021 8th Grade Lazio

This was a really difficult year, but I'm extremely proud of the 8th grade Lazio team. The whole team worked really hard every single week. No matter if we won or lost they always put everything into their play. Everyone had a fantastic time and really enjoyed playing, it was wonderful to see them develop and become better players. We did not have a full team but each week a dedicated core turned to support each other. We'll done Lazio!!

We started the year with an enthusiastic team of young soccer stars who all wanted to score goals. Over the next few weeks, players naturally found their strongest positions as strikers, mid-fielders and defenders. By the time lockdown hit, the team had grown in confidence and had become much more vocal, encouraging their team mates on the pitch and more disciplined to keep in position. We had some great, nail-biting games and I was very proud of their commitment through the season. Well done to all of you!

Player of the year  
Karamveer Singh - great all rounder, good up front and sprints back into defence when in trouble

Coaches Award  
Aayush Sekra - Aayush is a natural defender and saved the team many times each game when goal was threatened.

Most Improved  
Riyansh Singh - Riyansh showed great improvement over the weeks, with more and more tackling and commitment

- Player of the year - **Ted Van der Vyver**
- Coaches Award - **Tyler Simmons**
- Most Improved - **Alex Burgess**

We had a brilliant season with all the boys developing their skills and understanding of the game. It was great to see you play different positions across the field, try to pass the ball & find space and support your teammates. But most of all, we had lots of fun and built awesome friendships. We are pretty sure that we had the loudest team in the club! Thank you very much to all of our supportive families who braved all sorts of weather conditions and provided lots of nice treats to the team. To Alex, Fergus, Isaac, Ishan, Jackson, Lincoln, Naumaan, Noah, Ted and Tyler, congratulations on having an awesome football season and we hope to see you all again next year! **GOOOOOOO JUVENTUS!!!!**

We're so proud of all 11 boys and how much they've grown this year individually and as a team. They've learnt about the importance of positions, formations, passing, and playing as a team. They've supported each other, grown in courage playing up a grade, run drills, developed their game, and gained greater confidence with the ball. You are ALL WINNERS because of your love for football and all that you have accomplished this season!
