9th – 10th Grades

Club Captains Message – Overview of the Season

Hi,

It was a frustrating season with the start stop nature due to the Covid19 lockdowns. What was exciting to see the endeavour, development, commitment and importantly smiles on all the players faces as they gave their all during the season.

I thought it important to still do a prizegiving and to celebrate every players contribution. While a number of players will receive awards it requires a full team to play a game and we want to celebrate every members efforts and contribution to the season. We are proud of all of you.

I want to thank the parents for supporting their children by bring them to training as well as cheering them on the sidelines at games.

Our club runs on volunteers and in the Junior & Youth (Inhouse and NRF Travelling team) spaces we have over 100 teams participating. Our volunteer coaches give up a large amount of time and we thank them for all their help and commitment during the year. To organise the grades we have volunteer convenors who also put in long hours so thank you to our In-house team of Katie Hamilton, Shaun Rice & Kelly Anderson Rowe, and our Travelling NRF team of Kelly Anderson Rowe, Naomi Mitchell, Simon Bott, Derek Ready & Jeannine Melville for all your help. You are all true champions. In club supporting roles we have Darryl Hamilton who is Junior Club Captain & Football Development Manager whose workload never stops and volunteers huge hours every week while juggling a full time job. In our girls space the work behind the scenes from Mel Lockyer and Karen Berry has been amazing and allows us to further develop and grow in this area.

In the near future there will be exciting news in the girls space and also on the club coaching front so keep watching out for the clubs communications.

A thank you needs to go to our club, grade and team sponsors. Your generosity is sincerely appreciated. Please support these sponsors if you can. They all can be seen under the 'Our Partners' tab on the main taskbar on our website.

Club Captains Message – Club achievements for 2021

Club achievements for 2021

- In 2020 we developed a four year plan aimed to give all our junior and youth players a better experience at the club. Incredibly we saw of over two thirds of that plan implemented in the first year (2021). A huge amount of work has gone into it by many people.
- **What have we achieved this year;**
 - **On the field**
 - Split options for the 5 and 6 year olds ie. Just play Saturday or training session mid week & Saturday game
 - Creation of open training sessions for those outside of our Development Plus Programmes 5-12 year olds
 - Implementation of our Development Plus Programme for 9-17 year olds
 - Appointment of new Director of Football – Marty Rodwell
 - Appointment of new Technical Director – Darren Bazeley (Current All Whites Assistant Coach & NZ U20's Head Coach)
 - Exciting news also coming next week. Keep watching out for the clubs communications via newsletter, email, website and Facebook.

Cont. Club Captains Message - Club achievements for 2021

- **Creating better communication with members**

- Development of the new Fencibles website
- Development of the new Fencibles App (now available on Apple & Android)
- Implementation of Friendly Manager our clubs new Club Management Software – Your individual profile will have all the information at your fingertips – dates, times and locations for fixtures, coaches and managers contact details, events and uniforms to name a few.

Jeannine Melville spent many hours putting this prizegiving presentations together and she has done an amazing job.

Lastly a thank you for your participation in the 2021 season. Remember we still have programmes running if you still want to keep training. Have an enjoyable summer break and look forward to catching up with you all in 2022.

Kindest regards,

Mike Hawkey

It was a challenging start to the season for team Navy. With a tough draw to start the season and being a player down for the first 6 weeks made for a lumpy start. Despite this the team never let their chins drop and continued to play and train with great enthusiasm each week. The teams positional play and playing structure improved every week, which culminated in three very strong performances in their final three games of the season. It was a shame to have the season cut short, as the team had really started to hit their straps. We had also just worked out the secret formula of oranges before the game and at half time! Thank you team Navy players and parents for a challenging yet rewarding shortened 2021 season.

Most Improved: Kaden Wiggins

This season was great fun for the team. The boys worked well together and played an attractive passing game. We learnt to play out from the back and this led to some great team goals. The boys were awesome and a credit to the parents who were so supportive and helpful throughout!

This season choosing the recipients for each award was the toughest ever!

Player of the year:

Cooper Dullabh

Played his socks off in every position and scored some important goals in tournaments.

Most Improved:

Joel Greenwood

Coming from playing seasons of rugby he has taken to football really quickly and is keen to learn as much as possible.

Coaches Award:

Jake Stoks

A great team player, cheeky, always ready to give feedback and turned out to be an amazing goalkeeper!

Player of the year:

Taaj Sangha - great all round team player, solid in defence, good on attack, stayed in position and always looking to put the team first

Most improved:

Liam Manson - grew in confidence and knowledge of the game all season

Coaches award:

Manraj Singh - dedicated, thoughtful and versatile playing in front, on the wing and in defence

It was our first season as a traveling team and a lot of improvement seen by all. Over the season we could see each player developing and their understanding of the different positions. We progressed from everyone wanting to play striker or goalie to being a team that understood the importance of passing and holding our shape, and how playing as a team was a lot more fun than trying to dribble down the middle. Well done and a great team to be involved with! Special thanks go to Lauren for managing, Jared to coaching, and to all the parents for supporting and encouraging through all kinds of weather!

Most improved – Sivnen Raj
Base on his 100 percent attendance in training and match day. Most improvement from the first day and commitment to defend and attack improved as season continued.

Player of the year- Jackson Troup
He has scored most goal, he was always available for match days. The quality of skill he displayed with leadership he had through out the season

Coaches award- Liam Shaw
He had been continuously try to achieve result, was always present on training and match days. On games he pushed hard to maintain with other players.

"During the season, the boys from Leeds Utd U10 have gelled into a competitive, organised and enthusiastic team. After being defeated in the opening game, the boys went on to win most other games, losing only 2 other games. There has been lots of improvement across season. Playing together, the boys have developed a love for football, learning new skills, making new friends and creating some happy memories.

Well done to all and thank you to the parents. Thank you to Fencibles FC for providing the platform for this to happen".

The team formed a strong bond very quickly, and the result was always secondary to just the sheer enjoyment of the game and playing together as a team. As the weeks passed, the team gained more confidence and really started to develop a good sense of positional awareness and the need to always be looking to pass the ball to a team mate and move into space

To the Everton boys – our two aims for this season were to improve our skills and to have fun. You've achieved this by working hard during the drills & matches, working together as a team, showing great determination and sometimes even listening to the coach! Thank you to all the parents and grand-parents who supported the team from the side-lines. Lastly, thank you to Deane Kennedy who, as an unofficial Assistant Coach, made my life a lot easier. Look forward to seeing you all next year

alway being positive, smiling and
caring for his team mates.

Coaching the Liverpool 10th grade
was a great pleasure this year. All of
the boys improved and really started
to play together as a team. Jon,
Harry and hunter mainly played as
strikers and we're always giving their
best to get past the other teams
defenders. Aaron,Daniel and Leo
made up a strong defence that
started to pass well and play wide to
their team mates. Zach , Jonah and
sanuja played midfield and they did
alot of tackling and good passing to
the strikers. I wish all of these boys
the best and hope they continue to
play and enjoy the game. Kind
regards Aaron.

Manchester United had a great season before it stopped short;

A great group of kids that gave it their all and played with good sportsmanship no matter the result. Some good development of skills and passion for the game, particularly from those that were able to regularly make practices. Thanks to the kids for listening and working together as a team; and to the parents and the club for their help. I hope to see everyone again next year and for a full season!

Congratulations to the 2021 Newcastle team for a very successful season this year.

The foundation of our 2019/20 team returned for 2021 season bolstered with a fresh injection of talent in Raiyan, Aanav and Viraj. The boys quickly fitted in and it was great to see them develop and get more confident with every game. The seasoned will be remembered for some very close competitive games where often only 1-2 goals were the difference between the teams.

Congrats to Jett for a stellar season in goal, he was probably work 2-3 goals every game. To Riley for consistently pushing forward on attack or defence, Saihaj and Will for solid play through midfield and defence. Thanks again to Greg and Simon for their assistance in helping out this year and to all the parents for their continued support for solid play through midfield and defence. Player of the Year – Isaac Hoete –

Isaac would have easily won the step count for Team Newcastle for season 2021. Isaac's dedication to joining the rush on attacks and then rushing back on defence was outstanding. A work ethic second to none this season and is the reason I nominate him for Player of the Year. Like with the rest of the team, he was a pleasure to coach, always polite, enthusiastic and displayed great sportsmanship throughout the season with his team mates and opposition. Would often see him check on opposition players if they were down injured.

Coaches Award – Flynn Whickman-Walker –

Flynn has been a massive part of our team for the last three years and this year was no different. Again he's a pleasure to coach, enthusiastic and always actively contributes to the games and trainings. Our key striker up front and leading goal scorer for the season.

Most Improved – Cameron Pardoe –

have had the pleasure of coaching Cameron over the last 3 years and from an extremely shy football player he has grown with confidence with every game, engaging more and more with the play which culminated in scoring his first goal in one of the last games of the season. Well-mannered and a delight to coach.

I would like to say a great big thank you to my team, each and every player has done so well we have progressed well together as a team. The boys have great bonding and understanding of each others strength and weakness. I am also grateful to the families who have been there every week cheering our team on boosting their performance.

It is a hard decision and if it were up to me, all my boys would have a player of the year award...but today I can only pick three...

This was a wonderful team with a mix of some previous experience as well as girls brand new to football. The team was very competitive throughout the year, winning the majority of their matches but with some losses to enable some good perspective and learning. They all got on extremely well and had a lot of fun, whether at training or playing the games. I'm sure they will be looking forward to continuing their friendships and fun again next season - hopefully not interrupted by Covid! Thanks also to all the parents for their brilliant support.

Most Improved - Kade Nelson - as his confidence grew over the season, he became a defender's worst nightmare.

Coaches Award - Jamie Satherley - tough as nails, fast as lightning, and just an awesome young man with a great attitude towards his football and team mates.

POTY - Jeremy Mackay - our midfield general, he delivered consistently strong individual performances throughout the season, and always looked to bring the best out of his team mates.

Grade 10 Navy had a great season winning 11 of our 13 league games, and drawing the other two. The boys also went undefeated to win a tough Fencibles grade 10 tournament. Whilst the football results were encouraging, most pleasing was the way the boys all developed and improved throughout the season, both individually and playing as a team. Cheered loudly on by positive and passionate parents, the boys approached every game and every training session with a real desire to work hard, learn quickly, and have fun playing the beautiful game, and they can all be proud of their contributions. A final shout out to the good people at Direct Security Services for sponsoring Grade 10 Navy and Red teams' super comfortable jackets this year.

Another great season for U10 Red. This was the first year for some of the boys playing at Prem 1 level and it was a great challenge with the team finishing in the top 3 of the competition. A special team of players (and parents) progressing well toward 9v9 next season.

Player of the Year -
Harry McLachlan for always being first to the ball and outstanding game awareness qualities

Most improved - Bryce Galbraith for excellence and willingness in playing multiple positions during the season

The Leeds boys had a tough start to the season not winning a game for the first month but with a couple of positional changes building confidence in their positions they didn't lose a game for the last half of the season. We are proud of boys on how they finished the season, improved each week and keep resilient.

We are a team of 9 whom most had never met or played football together before. Season started well with 3 good wins and we shifted grades. Tough season from there but the boys showed big hearts and turned up every week though the results weren't going our way. Special mention to parents Sailesh & Richard for their help during the season. Big thanks the players dedication and the parents whom supported each week
